Meet Your Housing Staff

Now that you have moved in and are settled, please remember there are a number of people within each residence hall or apartment building on campus that are available to assist you:

Community Director – The CD is a full-time professional staff member who manages the daily operations of the apartment or residence hall. The CD supervises the staff of student Resident Advisors, coordinates maintenance and housekeeping, and assists with hall programming efforts. The CD is responsible for serving as a campus resource for residents as well as meeting with students to resolve policy violations.

Office Services Clerk – The OSC is a full-time staff member who manages the student staff at each front desk. They are available for answering questions about hall policies and procedures in addition to overseeing facility and security aspects of building operations.

Resident Advisor – An RA is a live-in student who is responsible for developing a community on the floor and within the building. The RA aims to build community through daily interaction with residents as well as planning and implementing social and educational programs. Each night, there is an RA on Duty, who responds to any incidents or addresses any concerns.

Maintenance, Engineers, Houskeepers – Each building has a staff of several workers that strive to provide a clean and well-maintained living environment for all residents. These staff members respond to work order requests on a daily basis. The housekeeping staff cleans all public areas Monday-Friday.

Front Desk Staff – The Front Desk staff is responsible for guest check-in, campus information, handling phone calls, and mail and package delivery. Each front desk staff also handles equipment checkout as well as maintaining the Lost and Found for the building. The front desk of each building is staffed 24/7 to address resident concerns as they arise.

Getting Involved with a Student Organization

Interested in getting more involved in campus life? There are over 280 recognized student organizations on campus covering a variety of social, academic, and professional interests. Students can go online to the DOSO website (www.doso.wayne.edu) and set their personal interests and receive information about student organizations that match these interests.

Want to start your own student organization? All you need are two currently registered students and a faculty or staff advisor for your group. Benefits of being a recognized student organization include reserving rooms around campus for events with little or no cost, ability to request money from the Student Activities Budget Committee to sponsor programs and the ability to fundraise on campus for your student organization.
**Things To Do Around Wayne**

**Wayne State University Farmers Market** is open every Wednesday from 11am to 4 pm through October 27th. It is located on Cass Avenue, in front of Prentis Hall (WSU Business School), just north of Warren Ave, and across the street from the Detroit Public Library.

**The Detroit Institute of Arts (DIA)** offers over 100 art galleries featuring more than 65,000 pieces of artwork. The museum is located on Woodward Ave between Farnsworth and Kirby Ave, across the street from the Detroit Public Library. The DIA is also home to the Detroit Film Theatre, which features art and indie films every weekend.

**Greektown** is a historic neighborhood located just northeast of the heart of downtown, along Monroe Avenue between Brush and St. Antoine Streets. It is a primarily commercial district dominated by Greek-themed restaurants, but also includes St. Mary Roman Catholic Church and the Greektown Casino within its boundaries.

**The Detroit Historical Museum** chronicles more than 300 years of Detroit's history. The museum opened in 1928 and currently holds more than 600 artifacts from throughout Detroit. Admission is $4 for students, however, on Sunday, October 17th, admission to the museum is free and guided tours will be provided of the Streets of Old Detroit exhibit in the basement.

**Belle Isle** can be found by crossing the MacArthur Bridge on Jefferson Ave, about three miles east of Downtown Detroit. Attractions at the park include miles of paved roads and paths for exercising, a beach, Belle Isle Nature Zoo, a golf driving range, coast guard station, a conservatory and more!
