These resources provide individual or group tutoring free of charge for students. Most undergraduate students in General Education courses receive priority for tutoring appointments and will find a broad range of resources at their fingertips.

Looking for a Place to Hang?

Try The Grille for late night food and fun! It is located in the lower level of the Student Center and is open from 9pm-2am. It is a fun and relaxed atmosphere where you can play pool, ping pong, connect your video game consoles, grab food, or just chill with your friends. The best part is that you can use your meal plan there! Come stop by after a long night of studying at the UGL and enjoy some burgers, fries, sandwiches, salads, wraps, or chicken fingers with your friends.
WSU has a vibrant campus life on and around campus. Located in the heart of mid-town Detroit, there is always something to do if you know where to look. Students enjoy making trips to unique restaurants, art galleries, shops, and cafes to hang out and relax. Within walking distance you can attend a Broadway play, watch a professional sporting event, listen to the sounds of a symphony orchestra and much more. Students can go to www.insidedetroit.com, Detroit’s Welcome Center, to get more information about events, tours, and local attractions.
