Welcome back residents!

“Success is not a place at which one arrives, but rather the spirit with which one undertakes and continues the journey.” - Alex Noble

As Wayne State students arrive back to campus, we’re reminded of how diverse this college community is. We look back on the luxuries of summer and realize they are no more. We acknowledge how we got here and the obstacles that stand in our way of where we want to go. Our excitement, fear, anxiety, and hope remind us that we must now focus on a part of our life filled with books, classes, and professors. These thoughts remind us that Fall has officially arrived! Students have come from as close as Detroit to as far away as China to live on campus at Wayne State University. Although our community may be diverse, we are all hoping to have the best year possible. Your fellow students, RA’s, Front Desk Staff, Community/Resident Director, and many others are here to help you along your journey!

Changes in Parking

The Wayne State Parking and Transportation Services office is making changes around campus this fall. Parking Structures 1, 2, 3, 4, 5, 6, 8 and lots 41, 50 and 75 have been updated with new equipment to make going in and out of the structures quicker and more convenient. One of the biggest changes will be the Radio Frequency Identification (RFID) readers installed at the entrances and exits of the parking structures and designated lots. Students and staff who purchase a semester parking pass will receive an RFID tag in the mail, which they will be instructed to hang on their rearview mirror as they go in and out of the structure or lot. The tags will send a signal to the RFID readers to raise and lower the gate automatically, which eliminates the need to swipe OneCards for access to assigned parking. Payment by swiping OneCard or a credit card will still be accepted.

FAQ of On-Campus Living

1. Something is broken, how do I get it fixed?
   Head to your front desk with your OneCard and file a Maintenance Request. Online Maintenance Request forms are coming soon!

2. I lost my OneCard/Key/Hall Sticker and need to get into the building and my room. What do I do?
   Go to your front desk and immediately report your lost key, one card or hall sticker. There are fees to replace each of these items as well as fees for the lock core change if you lose your key. Ask the front desk about the costs. They may also have to perform a “lock out” for you to get back into your room. The first lockout is free; after that each additional lockout is $20.00. Please make sure to keep track of your keys/onecard for the safety of yourself and others.

3. I’m sick and not feeling well. Where can I go?
   Go visit Nurse Mary and the WSU Health Clinic located in DeRoy Apartment Building across from Einstein Bros. Bagels.

4. My class schedule has an acronym for the building. Can you tell me what this stands for?
