Things To Remember

WHERE TO PICK UP YOUR KEY
Please pick up your key on your move-in day from the front desk of your building between the hours of 8:30am and 8:00pm. If you are coming from out of the country and you cannot arrive between those times, please contact your Community Director and make arrival arrangements. You can contact them by calling the number of your building’s front desk, shown on page 8.

HOW TO PAY YOUR RENT
Registered students have the option to have their rent billed by the month or by the semester. Your rent is charged to your student account. If you are paying your rent by the month, you must pay by the 1st of each month and it must be paid through your pipeline account or to the Cashiers Office. If you are paying your rent by the semester, your housing will be due at the same time your tuition is due in accordance with the normal university payment schedule.

Late fees will be assessed on your student account, according to the University’s late fee schedule for any late payments. If you still have a balance on your student account under $500.00 after the 15th of each month, you will be charged a $25.00 late fee. If you have a balance on your student account over $500.00 after the 15th of each month, you will be charged a $40.00 late fee. Late fees apply to your entire student account balance, not just the housing amount due.

For our residents that are Faculty/Staff, affiliates or non-registered students you must pay your rent by the 1st of each month at https://hmsweb.housing.wayne.edu/studentweb/Login.asp?TargetPage.

LICENSE AGREEMENT INFORMATION
All unfurnished apartment license agreements end on April 30, 2015. There will be a designated time during the winter semester if you wish to extend or renew your license agreement. For more information on this please watch for e-mails and postings in your buildings!
Welcome to Wayne State University, your new home away from home!

We are looking forward to a great school year for you, and are dedicated to creating a comprehensive living learning community.

We encourage you to get involved with the students and professional staff in your apartment building. Take advantage of the opportunities of living on campus by joining your Community Council and getting to know your RA(s). Get involved in your building’s activities, student groups and the entire campus community. Don’t forget to utilize the many campus life resources, as well as the academic resources that WSU offers. The connections you will create while living on campus will enhance your experience and give you memories you will remember well after college.

The Housing and Residential Life staff knows that our residents will continue to create new traditions, pride and enthusiasm for Wayne State University and we feel lucky to be a part of the excitement. We created this Move-In Guide to provide you with information and guidelines on how our residential communities come together throughout the academic year. Please take the time to read and gain an understanding of our on-campus community here at Wayne State.

Again, welcome to Wayne State University! Business and Auxiliary Operations and the Office of Housing and Residential Life are here to support and serve you. Our doors are always open, so please stop by and visit.

Sincerely with Warrior Pride,
Jeanine Bessette

Moving into the Neighborhood

Check In Process
When you pull up to the curb, we’ll be waiting to welcome you with open arms. **Print out your assignment letter and bring it to the front desk of your building on the day you arrive.** The residence life staff will take it from there! You’ll be able to check out your new home and then start moving your stuff in! There will be a limited amount of moving carts, so we recommend bringing a hand truck to help with the move in process.

What should I do before I arrive?

◊ If applicable, finalize your financial aid package
◊ Be sure to have at least your first month’s rent paid in full
◊ Pay your tuition and fees
◊ Check your pipeline and WSU email regularly, the Housing and Residential Life Office will be sending you important information
◊ If applicable, discuss with your future roommate about what things you both should be bringing
◊ Print out your assignment letter

**APARTMENT STAFF**

**Community Directors** Audrey and Alexandria are responsible for almost everything in their apartment complexes. As Masters-levels practioners, they have been trained on how to develop a diverse, inclusive community within a college environment. Through their supervision of the RA’s, they will create a wonderful experience for you and your friends! Be sure to say hello to them!

** Resident Advisors:** RA’s are sophomore students or upper class students who have previously lived on campus. They live on each floor and are trained in conflict mediation, building community and emergency response to assist residents. You can meet your RA at check-in and your required first floor meeting. Get to know your RA, it will make a big difference.

**Maintenance and Housekeeping Staff:** You may find yourself in contact with these individuals on a daily basis and you are encouraged to say hello as they clean common areas and perform regular building maintenance.

**Front Desk Staff:** The Office Services Clerk (OSC) supervises a staff of students who are the smiling faces at the front desk of each building. They monitor who comes and goes in and out of the building 24 hours a day! They also assist in mail services, sign in guests and take in any reports of maintenance concerns.
CABLE TV

The cable in all apartments is provided through Comcast. Students with any questions or concerns about their cable should email: cenhrt_bulkmdu@cable.comcast.com

The cable channel line-ups in the building include local stations, ABC Family, HGTV, Disney Channel, Bravo, ESPN and many others.

INTERNET CONNECTIONS

Free wireless Internet is available to all residents. Personal routers or wireless access points are prohibited anywhere within the WSU apartment buildings.

All WSU apartments are equipped with high speed Internet connections to the University’s network and Internet via WSU Secure. If a computer fails a security scan, network access is blocked until the computer passes.

There are also “Print Stations” inside each building. Just put money on your OneCard and you’ll be able to print any kind of document. For more information, please visit the front desk in your building!

Keeping Your Neighborhood Safe

Tips for Cooking Safely in Your Apartment

Kitchen fires are most often caused by:
1). Leaving food unattended
2). Placing combustibles too close to heat
3). Unintentionally turning on or not turning off the cooking equipment

8 Tips for Cooking Safely

1). Never leave cooking food on the stovetop or in the microwave unattended and keep a close eye on food cooking inside the oven

2). Keep cooking areas clean and clear of combustibles (i.e. potholders, towels, rags, drapes and food packaging)

3). Keep children away from cooking areas by creating a three-foot “kid-free-zone”

4). Turn pot handles inward so they can’t be bumped and children can’t grab them

5). Wear short, close fitting or tightly rolled sleeves when cooking

6). Be sure to always use an oven mitt when handling hot pots and pans to prevent burns

7). Always keep a potholder, oven mitt and lid handy. If a small grease fire starts in a pan, put on an oven mitt and smother the flames by carefully sliding the lid over the pan. Turn off the burner. Don’t remove the lid until it is completely cool. Never pour water on a grease fire and never discharge a fire extinguisher onto a pan fire, as it can spray or shoot burning grease around the kitchen, thus spreading fire.

8). If there is a microwave fire, keep the door closed, unplug the microwave, and notify Public Safety immediately. Food cooked in the microwave can be dangerously hot. Remove the lids or other coverings from microwaved food carefully to prevent steam burns.

Laundry Tips
Keeping Colors True

1) Remember to separate clothes by color, as well as fabric. Towel and fleeces should be divided from smooth, dark fabrics that will ultimately show every speck of lint after the rinse cycle.

2) Bleached-out whites can develop a dingy, discolored look over time. Prevent this by adding one-half to one cup of hydrogen peroxide to a load once the washing machine is filled with water. Allow it to soak for half an hour and add about one-third less laundry detergent than usual and wash as usual.

3) Well before you load the machine, take the time to straighten sleeves and pant legs, close zippers and untangle sheets and towels. Not only will you save time drying and ironing later on, but your clothing will retain its shape and be remarkably cleaner.

4) To keep brights their brightest and blacks from fading, turn garments inside out and chose the coolest temperature setting that will get them clean.

5) If a garment bleeds onto other items in the load, don’t let the stained items dry. Instead, wash them again immediately with detergent and color-safe bleach and without the garment that caused the trouble.

6) Before putting brightly colored clothing in the dryer, remember to keep them turned inside out to prevent fading.

We’re here if you need to talk — about anything. At CAPS you can meet with others who share your concerns, such as managing stress, getting motivated, communicating with family, handling a relationship, and alleviating anxiety and depression.

Dangers of Used/Trashed Furniture and Bed Bugs!!

For your health and safety, the Office of Housing and Residential Life would like to remind all residents that picking up used furniture (mattresses, couches, desks, dressers, etc.) is highly discouraged due to a potential bed bug infestation.
Keeping Your Apartment Neat and Tidy

Types of Cleaners

- **All-purpose cleaner** – for scrubbing around the eyes of your stove, countertop and refrigerator door handles
- **Wood cleaner** – for polishing wood furniture and keeping dust away from vents, fans, and more
- **Mild bathroom cleaner with bleach** – for cleaning the shower, tub, toilet, sink and grout
- **Glass cleaner** – make your own by mixing 2 to 3 tablespoons of white vinegar with 3 cups of water
- **Dishwashing liquid** – a drop of this and a cup of water creates an instant spot cleaner for carpets and upholstered furniture
- **Baking soda** – mix it with lemon juice for a scrub or sprinkle it on carpets before you vacuum to absorb odors
- **Oven cleaner** – buy specific cleaners that you can use to clean your oven, do NOT attempt to clean the inside of your oven without it

**Must Have Cleaning Tools**

- Broom
- Dustpan
- Toilet brush
- Mop
- Vacuum
- Microfiber sweeper
- Feather duster
- Multiple sponges
- Rubber gloves

Getting around the Neighborhood, Part I

Getting to Wayne State

Located right off both I-94 and Route 10 and only a short 25 minute commute from Detroit Metropolitan Airport, Wayne State University is accessible to almost every student across the world! Put the address below into a GPS or your Google Maps App on your smart phone and you’ll be there in no time!

42 W. Warren Ave, Detroit, MI 48202

Flying into Detroit?

We would suggest asking a local friend to pick you up at the airport, just due to the cost of the taxi services. However, if you prefer to use the taxi services at the airport, be prepared to spend at least $50 in fares. Below you’ll find some taxi services that are at the airport.

Metro Airport Taxi: 800-745-5191
DTW Metro Sudan Car Service: 1-800-860-5738

Campus Shuttle Information

Shuttles, 15-passenger vans, run from 7 a.m. to 6 p.m. Monday through Friday and signs are posted at each stop. Service runs in 15 minute intervals.

Medical Campus Shuttle: Service runs continuously in approximately 30 minute intervals, Monday-Friday from 7 a.m. to 9 p.m. and is labeled “Medical Campus Shuttle.” The shuttle leaves Scott Hall on the hour and 30 minutes after the hour.

Four shuttle routes are:
- DMC Central Campus
- Henry Ford Hospital
- Wayne State University Main Campus
- Wayne State University Medical Campus

For more information and shuttle schedules visit: http://transportation.wayne.edu/shuttle.php

Bringing a car to campus?

If so, you’ll need to purchase a semester parking pass for Parking Structure #2 or #8 from the Parking/One Card Office. It costs $240/semester for a pass. All lots are monitored by staff and security camera 24 hours a day. For questions or more information, please contact the Parking and Transportation Services Office.

Living in the Neighborhood
Detroit, Michigan: Home of WSU

There is always something to do on or around Wayne State’s campus. Hip and urban, the area has an energy all its own. Students enjoy making trips to the unique restaurants, art galleries, shops and cafes to hang out and relax. Within walking distance are the Detroit Institute of Arts, the Charles Wright Museum of African American History, the New Detroit Science Center, Eastern Market, and the beautiful branch of the Detroit Public Library.

If catching a play or musical is more your style, then check out the Wayne State Hilberry and Bonstelle theatres with 2013-2014 shows including, *Macbeth*, *Guys and Dolls* and *August: Osage County*. Nearby are the Detroit Symphony Orchestra and Michigan Opera Theatre, as well as the Fox Theatre, Detroit Opera House, Masonic Temple and Fisher Theatre featuring Broadway shows and travelling ballet companies.

If sports are what you like, Detroit is the home to the Tigers, Red Wings and Lions whose stadiums and arenas are within a few miles of campus. These teams often feature discounted tickets with a valid OneCard. You can check out their websites during their regular seasons for more information.

Wayne State is also home to many Division I and II sports teams. The WSU fields and courts are just steps away from campus housing. Almost all WSU sporting events are free to students with their OneCard.

On weekends students can discover free music festivals like the Detroit Electronic Music Festival and the annual Hoedown at Hart Plaza. If you have a passport Canada is only a bridge or tunnel away to take in the experience of another country that’s close to home. Students can also find cultural experiences while feasting on a great meal in Greektown or Mexican Village. In the winter students can visit Campus Martius Park where you can slip on a pair of ice skates and skate next to the City of Detroit’s holiday tree. While you are downtown, checkout the Hard Rock Café nearby.

Whether you are looking for a night out on the town, a chance to tempt your taste buds or just an opportunity to cheer on your favorite team—Wayne State is proud to be in the center of Detroit. We hope you take the opportunity to experience all the great things Detroit has to offer its students who live in the heart of it all!

Wayne State University has many resources available for students to make campus a safe and secure environment. Whether you are coming and going from campus buildings or walking across campus; safety precautions are always in place.

Review the campus safety tips below and make yourself aware of some of our security processes that you will participate in now as a new resident to the campus community.

CAMPUS SAFETY TIPS

- Always lock your apartment door when you leave, even if it is just to go down the hall.
- Never prop or leave an exterior door open. It can jeopardize the safety of all residents living in the building.
- If you lose your apartment key, report it immediately to the front desk and to your roommate(s).
- If you encounter an unauthorized person in the building, contact a staff member or Public Safety immediately.
- When parking your car, keep everything of value in your trunk.
- When walking, keep your head up to remain more alert of your surroundings. Do not use your cell phone to talk or text.
- Program ICE (in case of emergency) into your cell phone for emergency personnel to be able to contact someone in the event you are unable to use your cell phone.
- Do not list your specific apartment or cell phone number on any social networking sites, like Facebook. Also do not post where you are headed on Facebook or Twitter.
- When a fire alarm sounds in a building, all residents are required to vacate the building, even if you think it is a drill or false alarm, it may not be.

ONECARD IDENTIFICATION

Housing facilities are restricted to residents, university employees and registered guests. Your OneCard establishes your affiliation with WSU and is not transferable. Students should not lends their OneCard to another person for any purpose, including entry to the building, purchasing of meals, vending items or anything else that can be purchased with your OneCard. If you lose your OneCard, be sure to immediately deactivate your OneCard on Pipeline.

SECURITY MONITORS

Security Monitors are stationed in each of the apartments complexes at the front lobby during high traffic late night hours. The monitors assist the front desk staff with checking ID’s and ensuring that guests are registered.

BUILDING/ROOM ACCESS

Apartments are locked 24 hours a day and require your OneCard for entry to your building.

EMERGENCY BLUE LIGHTS

There are more than 100 emergency blue light telephones located across campus, its perimeter and within parking facilities. The phones are highly visible and are programmed to contact WSU Public Safety at the touch of a button.

HALL STICKERS

Each apartment complex has a unique sticker that is placed on the resident’s OneCard for where they live. Students are required to show this sticker on their OneCard when every time they enter their building.

BROADCAST MESSAGING

The University has a broadcast messaging service that can send you an email or text message for class change information, snow days or technology outages on campus. To opt into the system go to your Pipeline account to adjust which messages you receive.
Frequently Asked Questions about Apartment Living

What do I do with my trash?
Chatsworth – Throw your trash out in the receiving area, there are dumpsters there.
DeRoy – Located on the first floor down the hall from the front desk. Bring trash and recyclables here.
University Towers – There are trash rooms on every floor. Please bring your trash and recyclables to the room.

Can I store my bike in the building?
University Towers is the only apartment building that has a location to store your bike inside the building. It is located to the left of the front desk next to the elevators.

If you live in DeRoy or Chatsworth, we would suggest that you store your bike in your apartment when there is inclement weather.

Am I allowed to have pets?
You are not allowed to have pets in your apartment. You are only allowed non-flesh eating fish in a 10-gallon fish tank.

If you have any questions about this policy, please contact the Housing and Residential Life Office.

Steps for Creating a Work Order (Maintenance Request)

1) Go to this web address: https://housing.wayne.edu/service-request.php
2) Log in using your Access ID and Password
3) Select the building you live in
4) Provide your apartment number
5) Provide your email and phone number
6) Be as specific as possible in your request, the more information facilities has the better they can help you!
7) Click submit and wait for a confirmation email.
8) If your request has not been taken care of within 24 to 48 hours, please contact the maintenance supervisor at @wayne.edu

BEFORE YOU RIDE – ABC Quick Check

A is for Air
• Inflate tires to rated pressure listed on sidewall of tire.
• Use a tire gauge to insure proper tire pressure.
• Check for damage to tread and sidewall; replace damaged tire.

B is for Brakes
• Inspect brake pads for wear; replace if less than ¼” remains.
• Check pad adjustment; make sure they do not rub tire or “dive” into spokes.
• Check brake-lever “travel”; with brakes applied, you need at least 1” between the lever and handlebar.

C is for Cranks, Chain and Cassette
• Make sure crank bolts are tight; lube only the threads, nothing else.
• Check chain for wear; 12 links should measure no more than 12¾” long.
• If chain skips on freewheel or cassette, you may need an adjustment or new chain and freewheel/cassette.
Neighborhood Involvement: Part I
Engaging in your residential community

Community Councils

All apartment residents are eligible to become a member of the Community Council (CC) for the apartment building that they live in. CCs help to promote a positive living/learning environment in our apartments by working with University faculty, staff and administration to coordinate and create educational, social, recreational, cultural, and scholastic opportunities within the apartments.

They also assist the Community Director and Housing and Residence Life leadership by giving input on issues and helping to shape policies that effect the community environment of our buildings.

Some of the events organized by Community Council:
- Town hall meetings
- Barbecues
- Weekend and evening programs
- Intramural teams, competitions, and cheering sections for sporting events
- Cultural and diversity activities
- Movies, dances and celebrations
- Educational and safety awareness programs
- Debates and proposals to change hall/apartment policies

Meeting Schedule
DeRoy and Chatsworth Apartments: Tuesdays at 9pm
University Towers: TBD

Residence Hall Association (RHA)

A resident-run Wayne State University residence hall and apartment governing body, RHA is the parent organization for individual Hall & Community Councils. Their function is to provide large scale programming to the residential population. WSU RHA also works actively with the Housing & Residential Life leadership to help voice residents’ concerns and aid in the WSU RHA’s strategic process to move forward. WSU RHA is dedicated to improving the on-campus living experience and is always looking for innovative, creative students to help it fulfill their mission. If you are interested in joining, contact your RA to get more information!

National Residence Hall Honorary

National Residence Hall Honorary (NRHH) is a student-run leadership opportunity for residential students who both excel academically and are considered to be in the top 1% of student leaders at Wayne State University.

NRHH focuses around four pillars: leadership, service, academics, and recognition. Residents who are interested in applying to be an NRHH member should contact the Housing and Residential Life Office for more information!
Student Organizations

With over 150 student organizations, Wayne State has nearly every hobby or interest covered! From biomedical engineering and fashion design to student activities and community service, we’re positive you can find something that peaks your interests here at Wayne State. So what happens if you can’t? Easy, start your own student organization!

For more information about student organizations visit: http://doso.wayne.edu/

Greek Life

Wayne State offers more than 25 sororities and fraternities on campus. Each of these have their own particular mission to which they plan and host events on campus and in the community at-large.

Student Senate

The Student Senate is the primary representative institution of the student body and exercises its authority in the students’ name and for the students’ welfare. Its primary objective is to identify progressive methods, which can be utilized by all students to encourage leadership, uphold student achievement, enhance campus-community life through quality programming, and act as a liaison between students and the Administration.
